

Thursday 27th May 2021

Dear Parents/Carers,

The last year has been challenging in many ways and now that lockdown restrictions are easing, we would like to make the most of the opportunities available. For the week commencing 5th July 2021, we are planning to collapse our usual timetable so that we can put on a series of activities for our students.

We plan to use the Monday and Tuesday to introduce our students to Doncaster UTC Post 16 life. They will experience taster sessions in a variety of our new courses, as well as having some time in our post-16 area on the top two floors of the building for the very first time. They will also have some time in their specialism to explore career opportunities, with some special visitors. We feel that it is important that they look forward and begin thinking about what they will do when they complete their current courses.

On the Wednesday we would like to take students out of school for their first ever school visit, we are planning a rewards day out at Flamingo Land Resort. On the Thursday we are going to explore the heritage of Doncaster with a visit to the newly opened Danum Gallery, Library and Museum, followed by some light relief at the new Savoy Theatre. The Friday will be an opportunity to reflect on the year and celebrate the many achievements of our students throughout this exceptional year.

To allow for this the school day times will be slightly altered. Monday, Tuesday and Thursday students will finish at 3:10pm. On Wednesday students will finish at 4:50pm approximately and Friday will be the normal school time of 1:10pm.

The total cost for this week will be £40 per student. This includes the costs of transport and entrance fees for all excursions. Payment for the week will be done via Sims Pay.

We are very much looking forward to this week with our year 9 students, however, may I take this opportunity to remind students that if they fail to meet the behaviour expectations of Doncaster UTC they may be unable to participate fully in the events planned for this week.
