

Monday 5th October 2020

Dear Parents/Carers

I am contacting you to clarify our position this morning. A member of the NCATI staff has tested positive to COVID-19. As a consequence, NCATI have closed to all staff and students.

This does not impact on Doncaster UTC and we are **open** as normal to Post-16 students. The buildings have been separated and the staff from NCATI do not mix with our staff or student bubbles. Therefore, this positive test possess no risk to Doncaster UTC staff or students.

I am aware that an announcement went out this morning saying that NCATI was shut, this is only for NCATI staff and students and does not affect Doncaster UTC. We continue to operate within our COVID 19 risk assessment, and can I take this opportunity to remind all students that they should be wearing masks in communal areas and using the provided hand sanitiser when entering and leaving their bubbles.

Yours Faithfully
